

FULL MOTION DUAL STUD MOUNTS

PMX660

Defy gravity.

Don't let the size of your TV dictate where you put it. Capable of supporting TVs up to 80", the PMX660 features two articulating arms that can be horizontally offset to give you the utmost discretion over where your TV is placed. With 22" of extension, this full motion wall mount provides enough tilt and swivel movement to ensure you always have the perfect viewing angle. Its low profile design allows your TV to sit 2.5" from the wall when fully retracted and features cable management clips to keep your cables out of sight.
