

MAINFRAME VERTICAL WALL MOUNT BRACKET SERIES

# VWB SERIES

These Vertical Wall Mount Brackets (VWB) are an economical choice to vertically mount network infrastructure in either existing or new construction. Available in 2,3,4,6U, these space-saving brackets allow for clean installations in constricted environments.

## INTRODUCING FEATURES

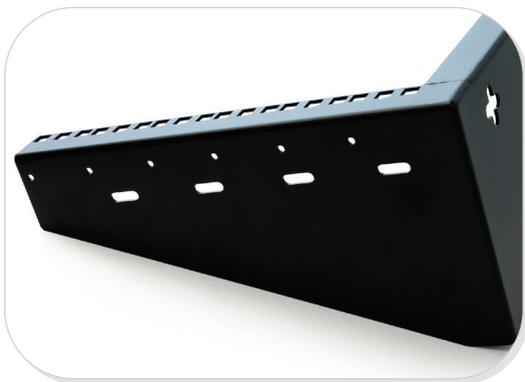

Fully assembled, quick installation

Welded frame, reliable structure

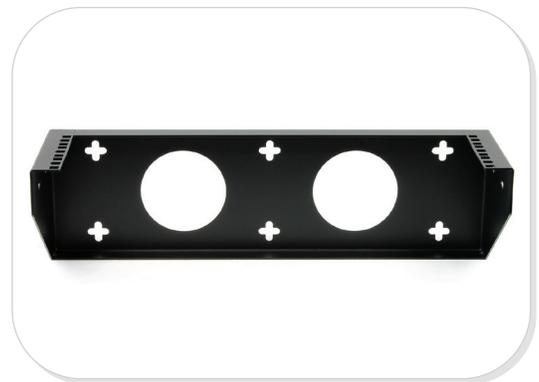

Cable tie mounting point

Comes with 12 sets of 10-32 cage nuts and screws, 2 sets of concrete anchor bolts

### Vertical mounting rails

Easier for installation of small equipment.

### Easy cable management

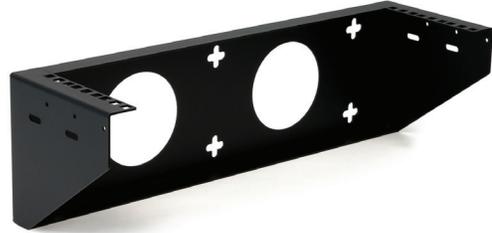

All brackets are outfitted with cable-tie mounting points and cable passthrough holes.
