

# CMS SERIES

Effective cable management is designed to organize and support cables from patch panels, switches and any other rack mounted devices. Our standard 19" compatible solutions manage everything from small to large bundles of cables and patch cords. Keep your installations looking great and operating smoothly for years to come.

## INTRODUCING FEATURES

### 19" Rack Mountable Design

Available in:

- Finger Duct with Metal Cap (1U/2U)
- Finger Duct with Plastic Cap (1U/2U)
- Plastic D-Ring (1U/2U)
- Nylon Brush Strip (1U)

### Surface Finish:

- SPCC cold rolled steel (Back panel)
- Black powder coated

### Includes:

- 4 x 10-32 Screws
- 4 x 10-32 Cage nuts

### High Density Nylon Bristles

For CMS-1-BRS

### Metal Cover Cap (MC) and Plastic Cover Cap (PC)

Organize and guide cable between cabinet components, such as patch panels, switches, and routers. Route cable from blocking nearby fan openings, providing better airflow.

### Plastic D-Ring (PR)

For express installs where speed and practicality is preferred, this Plastic D-ring Cable Manager will help route your cables without delay. Plastic rings are removable for custom cable configurations.

### Brush Panel Style (BRS)

Create a clean point of entry while also providing optimal airflow and controlled cable management. This unit is ideal for installation above or below patch panels or switches.
