

Features:

High Speed HDMI/IR extender over a single Cat5/6
 PoC system requires only one power supply at TX or RX
 Extend HDMI/Audio & IR signals 165 feet (50m)
 18Gbps video bandwidth
 HDMI 2.0, HDCP 2.2 / HDCP 1.4 and DVI 1.0 compliant.
 Video resolution up to 4k2k@60Hz 4:4:4,
 Supports one HDMI loop output at Tx
 Supports one-way IR pass-through from Rx to Tx
 Supports HDR10
 Supports automatic EDID copy function
 Uses one Cat5e/6 IEEE-568B/or 568A termination
 Terminate connections with standard RJ45 jacks

Kit includes:

1 x Tx Balun
 1 x Rx Balun
 1 Infrared repeater
 1 Infrared flasher
 1 x 12VDC 1A power supply
 24 Karat gold plated contacts
 Wall mount brackets
 Tough steel cases

Specifications:

HDMI ver2.0
 Max Cat5/6 cable distance:
 1080p @**165'/50m** & 4K @60Hz 4:4:4 Cat5
 1080p @**230'/70m** & 4K @60Hz 4:4:4 Cat6/7
 Cat5/6 termination – IEEE568B/568A
 Max Video Resolution – 4K
 Video bandwidth – 18Gbps
 HDCP – supports all versions
 Directional Infrared (3.5mm-F in/out)

Includes:

1 x TX Balun
 1 x RX Balun
 1 x Infrared repeater
 1 x Infrared flasher
 1 x Power Supply – 12Vdc 1A
 (UL,CE,FCC)

Dimensions:

Width- 2.4"/61mm
 Height – 0.75"/18mm
 Depth - 3.4"/88mm
 Shipping Weight 1.76 lbs (0.8kg)
