

UNIVERSAL LAPTOP RISER STAND

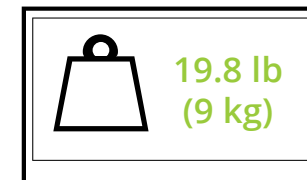

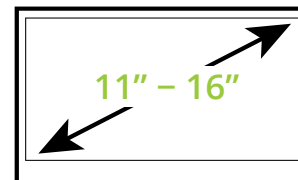

LE1

Create a beautiful, ergonomic workspace with the Kanto LE1 laptop riser. The elevated and cantilevered design raises your laptop to improve posture and reduce eye and neck strain. The open laptop platform improves and encourages airflow to reduce laptop temperatures leading to increased performance and device lifespan. This premier laptop stand features high-grip silicone that protects your laptop and keeps it secure while Velcro straps are included to route cables along the stand. Available in black, the LE1 universal laptop stand perfectly matches Kanto's S- and SE-series of speaker stands and seamlessly blends with your decor.
